***IO WA STATE PATROL
EFFORTS TO COMBAT
METHAMPHETAMINE CLAN LABS***

The Iowa State Patrol is Combating the Illicit Flow of all Narcotics into Our State using both Enforcement and Education.

A Special Methamphetamine Education Program was Developed, and has been Presented by Our Safety Education Officers in Over 700 Programs to over 33,000 Citizens of Iowa.

The Iowa State Patrol Assisted Division of Narcotics Enforcement with 64 Meth Labs in 2000.

The Iowa State Patrol Trained all Tactical Team Members to Respond to Meth Labs. Forty-eight Tactical Members Are Strategically Located Across the Entire State and responded to 57 high risk clan lab entries in 2000.

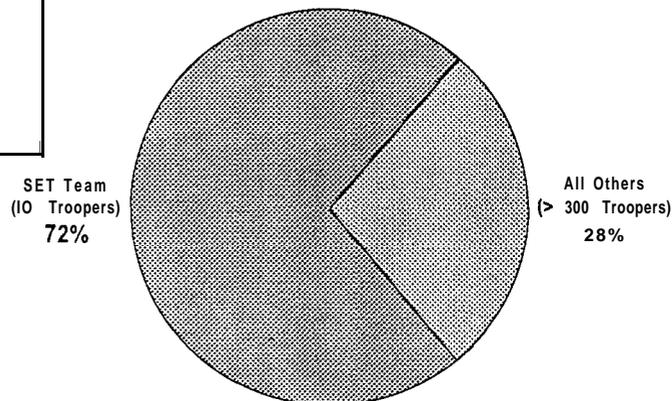

Iowa State Patrol

Drug Interdiction Efforts during the Year 2000

The charts below compare of the amount of drugs seized by the Iowa State Patrol's 10-member Special Enforcement Team (SET) with the amounts seized by all other State Troopers. The ten-member team seizes considerably more drugs per Trooper.
